The IVD – Institute of Vascular Diseases has decided, with its industry partners, to make its contribution to the consequences of the pandemic by offering participation in LIVE 2020 **free-of-charge!**

Moreover the organizers have decided to modify the format of the Symposium and make available the opportunity to WATCH ONLINE or ATTEND IN-PERSON the new form of this hybrid Online Symposium if of course the conditions and regulations allow it during September.

Either way benefit with your registration to this year's Symposium from:

- ✓ Waived registration fees
- ✓ Interactive sessions will have a priority in the program as part of the Seminar Edition
- ✓ Colleagues are invited to send their challenging cases to be included in the program which will be announced by the end of June.

FREE REGISTRATION will open soon

[SUBMIT YOUR CASES UNTIL JUNE 15TH 2020 >](#)
